

REACH CERTIFICATE OF COMPLIANCE

Compliance for Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) Regulation

Millimeter Wave Products Inc. is committed to supporting compliance to the European Union regulation to govern the Registration, Evaluation, and Authorization of Chemicals (REACH, EC Regulation Number 1907/2006). As a supplier of RF, Microwave and Millimeter Wave Products, we recognize that our customers may have obligations under REACH. We have established a communication and process of the latest reach requirements and advise you that our products contain no substances designated on the REACH SVHC Candidate List greater than 0.1% by weight.

We continually monitor the status of the candidate list. As the REACH SVHC Candidate List is updated, we will review our products to be in full compliance of the latest SVHC Candidate List.

This document certifies that the above listed product number, series and part number does not contain any of the substances of Very High Concern included on the Candidate List effective 1/12/2017, according to EC Regulation Number 1907/2006 ("REACH"), in connections above 0.1% by weight.
